Learning Standard 1: Engaging & Exploring

Gr.	Emerging/Emerging+	Developing/Developing+	Proficient/Proficient+	Extending/Extending+
9	Demonstrates limited engagement in artistic processes and requires frequent support.	Demonstrates adequate engagement in artistic processes and requires occasional support.	Demonstrates substantial engagement in artistic processes and works with increasing independence.	Demonstrates excellent engagement in artistic processes and works independently and purposefully.
10	Demonstrates limited engagement in artistic processes and often relies on familiar approaches.	Demonstrates adequate engagement in artistic processes and explores new ideas with some independence.	Demonstrates substantial engagement in artistic processes and explores ideas independently.	Demonstrates excellent engagement in artistic processes and explores ideas purposefully.
11	Demonstrates limited engagement in artistic processes with minimal initiative.	Demonstrates adequate engagement in artistic processes and shows some initiative.	Demonstrates substantial engagement in artistic processes, showing initiative and independence.	Demonstrates excellent engagement in artistic processes, showing initiative, independence, and purpose.
12	Demonstrates limited engagement in artistic processes with limited initiative and purpose.	Demonstrates adequate engagement in artistic processes and shows developing purpose.	Demonstrates substantial engagement in artistic processes, showing initiative, independence, and purpose.	Demonstrates excellent engagement in artistic processes, showing initiative, independence, and vision.

Learning Standard 2: Applying Skills & Techniques

Gr.	Emerging/Emerging+	Developing/Developing+	Proficient/Proficient+	Extending/Extending+
9	• Demonstrates limited understanding of discipline-specific vocabulary and techniques. • Executes technique inconsistently.	• Demonstrates some understanding of discipline-specific vocabulary and techniques. • Executes technique with increasing consistency.	• Demonstrates clear understanding of discipline-specific vocabulary and techniques. • Executes technique consistently.	• Demonstrates thorough understanding of discipline-specific vocabulary and techniques. • Executes technique precisely.
10	• Demonstrates limited understanding of discipline-specific vocabulary and techniques and their use. • Executes technique with limited effectiveness.	• Demonstrates some understanding of discipline-specific vocabulary and techniques and begins to explain their use. • Executes technique with increasing effectiveness.	• Demonstrates clear understanding of discipline-specific vocabulary and techniques and explains their appropriate use. • Executes technique effectively.	• Demonstrates thorough understanding of discipline-specific vocabulary and techniques and explains their appropriate use. • Executes technique seamlessly.
11	• Demonstrates limited understanding of discipline-specific vocabulary and techniques and their use across a variety of contexts. • Executes technique with limited refinement.	• Demonstrates some understanding of discipline-specific vocabulary and techniques and begins to explain their use across a variety of contexts. • Executes technique with increasing refinement.	• Demonstrates clear understanding of discipline-specific vocabulary and techniques and explains their use across a variety of contexts. • Executes technique with refinement.	• Demonstrates thorough understanding of discipline-specific vocabulary and techniques and explains their use across a variety of contexts. • Executes technique with nuance.
12	• Demonstrates limited understanding of discipline-specific vocabulary and techniques and their appropriate use across a variety of contexts. • Executes technique with limited adaptability across contexts.	• Demonstrates some understanding of discipline-specific vocabulary and techniques and begins to justify their appropriate use across a variety of contexts. • Executes technique with increasing adaptability across contexts.	• Demonstrates clear understanding of discipline-specific vocabulary and techniques and justifies their appropriate use across a variety of contexts. • Executes technique with adaptability across contexts.	• Demonstrates thorough understanding of discipline-specific vocabulary and techniques and justifies their appropriate use across a variety of contexts. • Executes technique with fluency across contexts.

Learning Standard 3: Creating

Gr.	Emerging/Emerging+	Developing/Developing+	Proficient/Proficient+	Extending/Extending+
9	• Develops artistic ideas with limited originality, beginning to take creative risks. • Uses limited reflection and/or feedback to revise artistic work.	• Develops artistic ideas with growing originality, taking creative risks with increasing confidence. • Uses some reflection and/or feedback to revise artistic work.	• Develops artistic ideas with clear originality through creative risk-taking. • Uses reflection and/or feedback to apply revisions that improve artistic work.	• Develops artistic ideas with striking originality through creative risk-taking. • Uses reflection and/or feedback to apply revisions that transform artistic work.
10	• Develops artistic ideas with limited exploration of new combinations, beginning to take creative risks. • Uses limited reflection and/or feedback to revise and improve artistic work.	• Develops artistic ideas with growing exploration of new combinations, taking creative risks with increasing confidence. • Uses some reflection and/or feedback to select revisions that improve artistic work.	• Develops artistic ideas by purposefully exploring new combinations through creative risk-taking. • Uses reflection and/or feedback to select and apply revisions that improve artistic work.	• Develops artistic ideas by insightfully exploring new combinations through creative risk-taking. • Uses reflection and/or feedback to select and apply revisions that transform artistic work.
11	• Develops artistic ideas with limited intention, beginning to take creative risks. • Uses limited reflection and/or feedback to revise, refine, and improve artistic work.	• Develops artistic ideas with growing intention, taking creative risks with increasing confidence. • Uses some reflection and/or feedback to select and apply revisions that refine artistic work.	• Develops artistic ideas with clear intention through creative risk-taking. • Uses reflection and/or feedback to evaluate and apply revisions that refine artistic work.	• Develops artistic ideas with insightful intention through creative risk-taking. • Uses reflection and/or feedback to evaluate and apply revisions that transform artistic work.
12	• Develops artistic ideas with limited voice, beginning to take creative risks. • Uses limited reflection and/or feedback to revise and refine artistic work with support.	• Develops artistic ideas with growing voice, taking creative risks with increasing confidence. • Uses some reflection and/or feedback to evaluate and apply revisions with increasing independence.	• Develops artistic ideas with a clear voice through creative risk-taking. • Independently evaluates and applies revisions, informed by reflection and/or feedback, to refine artistic work.	• Develops artistic ideas with a distinctive voice through creative risk-taking. • Independently evaluates and applies revisions, informed by reflection and/or feedback, to transform artistic work.

Learning Standard 4: Analyzing

Gr.	Emerging/Emerging+	Developing/Developing+	Proficient/Proficient+	Extending/Extending+
9	• Demonstrates limited understanding by describing how artistic choices communicate meaning. • Communicates a response with limited organization, using artistic terminology.	• Demonstrates some understanding by describing how artistic choices communicate meaning. • Communicates a response with some organization, using artistic terminology.	• Demonstrates clear understanding by describing how artistic choices communicate meaning. • Communicates a well-organized response, using artistic terminology.	• Demonstrates insightful understanding by describing how artistic choices communicate meaning. • Communicates a well-organized, compelling response, using artistic terminology.
10	• Demonstrates limited understanding by explaining how artistic choices communicate meaning. • Communicates a response with limited clarity, using artistic terminology.	• Demonstrates some understanding by explaining how artistic choices communicate meaning. • Communicates a response with some clarity, using artistic terminology.	• Demonstrates clear understanding by explaining how artistic choices communicate meaning. • Communicates a clear, coherent response, using artistic terminology.	• Demonstrates insightful understanding by explaining how artistic choices communicate meaning. • Communicates a clear, coherent, compelling response, using artistic terminology.
11	• Demonstrates limited understanding by analyzing how artistic choices communicate meaning. • Communicates a response with limited support for their ideas, using artistic terminology.	• Demonstrates some understanding by analyzing how artistic choices communicate meaning. • Communicates a response with some support for their ideas, using artistic terminology.	• Demonstrates clear understanding by analyzing how artistic choices communicate meaning. • Communicates a well-supported response, using artistic terminology.	• Demonstrates insightful understanding by analyzing how artistic choices communicate meaning. • Communicates a well-supported, compelling response, using artistic terminology.
12	• Demonstrates limited understanding by evaluating how effectively artistic choices communicate meaning. • Communicates a response with limited persuasiveness, using artistic terminology.	• Demonstrates some understanding by evaluating how effectively artistic choices communicate meaning. • Communicates a response with some persuasiveness, using artistic terminology.	• Demonstrates clear understanding by evaluating how effectively artistic choices communicate meaning. • Communicates a persuasive response, using artistic terminology.	• Demonstrates insightful understanding by evaluating how effectively artistic choices communicate meaning. • Communicates a persuasive, compelling response, using artistic terminology.

Learning Standard 5: Presenting and Sharing

Gr.	Emerging/Emerging+	Developing/Developing+	Proficient/Proficient+	Extending/Extending+
9	Demonstrates limited effectiveness in presenting artistic work using presentation conventions appropriate to the discipline.	Demonstrates some effectiveness in presenting artistic work using presentation conventions appropriate to the discipline.	Demonstrates effective presentation of artistic work using presentation conventions appropriate to the discipline.	Demonstrates highly effective presentation of artistic work using presentation conventions appropriate to the discipline.
10	Demonstrates limited effectiveness in presenting artistic work with minimal attention to detail.	Demonstrates some effectiveness in presenting artistic work with developing attention to detail.	Demonstrates effective presentation of artistic work with careful attention to detail.	Demonstrates highly effective presentation of artistic work with exceptional attention to detail.
11	Demonstrates limited effectiveness in presenting artistic work with minimal polish and professionalism.	Demonstrates some effectiveness in presenting artistic work with developing polish and professionalism.	Demonstrates effective presentation of artistic work with polish and professionalism.	Demonstrates highly effective presentation of artistic work with exceptional polish and professionalism.
12	Demonstrates limited effectiveness in presenting artistic work through minimal communication with the intended audience.	Demonstrates some effectiveness in presenting artistic work through developing communication with the intended audience.	Demonstrates effective presentation of artistic work through purposeful communication with the intended audience.	Demonstrates highly effective presentation of artistic work through purposeful communication that enhances the audience's experience.
